

C.V

Name: Hams Hussain Hashim Handool Alfattli

Date of Birth: 27/1/1981

Specialization: MICROBIOLOGY

Position: ASS. PROFESSOR

Scientific Degree: ASS, PROFESSOR

Work Address:ALQADISYAH UNIVERSITY

E-mail: hams.hashim@qu.edu.iq

Scientific Certification:

Degree science	University	College	Date
B.Sc.	ALQADISYAH	VET.MEDICINE	2003
M.Sc.	ALQADISYAH	VET.MEDICINE	2011
Ph.D. stud.			
Any other			

No.	<u>Scientific Title</u>	Date
1	ASS.LECTURER	2011
2	LECTURER	2014
3	ASS. PROFFESOR	2017

Scientific Title

Courses Which You Teach:

No.	Department	Subject	Year
1	VET. MEDECINE	INFECTIOUS DISEASES	2012-2013
2	CLINICAL LAB. SCINECE	MEDICAL MICROBIOLOGY THEORETICAL/ PRACTICAL HISTOLOGY BIOLOGY	2013- UNTIL NOW

Conferences which you participated:

No.	title	journal	Vol	Pages	Authors
1	Comparative Study of Bacteria and fungi air polluted Slaughterhouse of Al-Diwaniya City	Al-kufa journal of veter. Medicine science محلية	Vol(4) No(1), 2013	81-89	همس حسين هاشم
2	Isolation and identification of some genera and species of bacteria and fungi from conjunctiva in cattle in Al-Diwaniya city	Al-Qadisiya journal of veter. Medicine science محلية	Vol(12) No(2) .2013	55-62	همس حسين هاشم
3	the inhibitory efficiency of flavonoid extract of black mustard seeds (Brassica nigra) in growth of some bacteria and fungi isolated from local and Imported beef carcasses	Al-Qadisiya journal of veter. Medicine science محلية	Vol.(10) 2011	77-67	همس حسين هاشم د.عدنان حمد الحمداني د.احسان فليح الجوهري
4	Microbial evaluation of some kinds of canned milk available in the markets of Al-Diwaniya city	Al-Qadisiya journal of veter. Medicine science محلية	Vol(13) No(1) , 2014		همس حسين هاشم
5	Antibiotic resistant bacteria associated with the cockroach periplaneta americana in Al-Diwaniya city/Iraq	International Journal of Advanced Research سكوبس	Volume 2, 2014	Issue 12,709-714	همس حسين هاشم
6	The clinical and serological diagnosis of		Volume 2	No. 7, Summer	همس حسين هاشم

	<i>Mycobacterium bovis</i> in blood and milk serums of lactating cows by IDEXX ELISA test in Wasit and Dhi-Qar provinces/Iraq	<i>Journal of Contemporary Med Sci</i> ثومسن		2016: 70–73 71	
7	Study of antimicrobial effect for some extracts of <i>Anabasis aphylla</i> on Salmonella	Research Journal of Pharmaceutical, Biological and Chemical Sciences سكوبس	March–April 2016 RJPBCS 7(2)	Page No. 1938	همس حسين هاشم
8	In Iraq, the First Document for <i>Brucella canis</i> in Dogs by Rapid test, Indirect ELISA and 16S rDNA Inter-spacer PCR Techniques	Al-kufa journal of veter. Medicine science محلية	Vol.(7) No.(2) 2016		همس حسين هاشم
9	Evaluation the Antibacterial Activity of Ethanolic Extract (<i>Quercus robur</i>) On the Growth of Some Genera of <i>Enterobacteriaceae</i> (In vitro)	المؤتمر العلمي الاول للتقنيات الطبية والبيولوجية			همس حسين هاشم
10	In Iraq, First Sero-Molecular Diagnosis of Canine <i>Anaplasma phagocytophilum</i> Bacterium	مجلة جامعة كربلاء محلية			-همس حسين -هاشم -صبا عبود -احلام علي
11	First serological and Molicular detection of <i>Leptospira interrogans</i> serovar canicola bacteria in dogs in some iraqi governorates	مجلة كلية التربية/جامعة واسط محلية		NO.28 ISSN:4217-1994 Page:621-636	همس حسين هاشم صبا عبود علي
